2. Settlement Consideration. Subject to the terms of this SVPSA, and in full, complete and final settlement of the State Vitamin Purchaser Released Claims and the California State Vitamin Purchaser Released Claims, each Settling Defendant agrees to severally pay its Settlement Percentage of the SVPSA Amount to the Escrow Agent on the Funding Date. The Escrow Agent shall hold the SVPSA Amount in escrow, to be invested in instruments secured by the full faith and credit of the United States, until distribution occurs pursuant to paragraph 9. In the event that a state identified on Schedule A hereto fails to execute this Agreement within 28 days after the Execution Date, the Escrow Agent shall, within 38 days after the Execution Date, return to the Settling Defendants (based on their respective Settlement Percentages) the amount allocated to that state in Schedule A plus any interest and minus any administrative costs accruing from the Funding Date allocable to that part of the SVPSA Amount.

3. Injunctive Relief. The Settling Defendants agree that for a period of two years after the date hereof, they will not engage in any horizontal conduct that constitutes a per se violation of Section 1 of the Sherman Act, including but not limited to price fixing, market allocation and bid rigging, with respect to the sale of any Vitamin Product for delivery in the United States.

4. Complaint and Final Judgment and Consent Decree. Within 30 days after the Execution Date, the Complaint and Final Judgment and Consent Decree shall be filed, together with a copy of this SVPSA, in the Court.

5. Consent to splitting of causes of action. The Settling Defendants expressly consent to the filing of the following actions by the States:

(a) for States that are Settling States (as defined in the Master Settlement Agreement), the filing of complaints as parens patriae on behalf of the citizens and businesses of their States; and

(b) for the State of California, the filing of a complaint as parens patriae on behalf of California citizens and businesses; and

(c) for all States the filing of the Complaint and Final Judgment and Consent Decree; and

the Settling Defendants hereby waive any and all rights to object or to contest the filing of any of the above documents, or any other document contemplated in either the Master Settlement Agreement, the California Antitrust Litigation Vitamins Settlement Agreement or this Agreement, on the grounds that any or all of the States have split or divided their causes of action.

6. Releases and Covenants Not to Sue. On and as of the date of entry of the Final Judgment and Consent Decree, the Released Parties shall be released and forever discharged by the State Releasing Parties from all State Vitamin Purchaser Released Claims, provided, however, that this release and covenant not to sue shall not preclude the States from seeking recovery from the settlement fund established pursuant to the settlement agreement reached in In re Vitamin Antitrust Litigation, Misc. No. 99-197 (TFH) (M.D.L. No. 1285).

7. State of California Release and Covenants Not to Sue. The State of California and the Settling Defendants expressly acknowledge that, upon final approval of the California Antitrust Litigation Vitamins Settlement Agreement by the California State Court, the Released Parties shall be released and forever discharged from all California State Vitamin Purchaser Released Claims. Upon final approval of the California Antitrust Litigation Vitamins Settlement

Agreement by the California State Court, the release and waiver of the California State Vitamin Purchaser Released Claims shall become operative and shall be incorporated by reference into this Agreement. The State of California and the Settling Defendants acknowledge that the incorporation of the California State Vitamin Purchaser Released Claims into this Agreement upon final approval by the California State Court represents present, full and adequate consideration for the payments made pursuant to this Agreement. Unless and until the California State Vitamin Purchaser Released Claims are incorporated into this Agreement under the terms of this paragraph, no part of the SVPSA Amount shall be distributed or paid to the State of California. In the event the California State Court issues an order denying preliminary or final approval of the California Antitrust Litigation Vitamins Settlement Agreement, the Escrow Agent shall, within 10 days after receiving notice of entry of such an order, return to the Settling Defendants (based on their respective Settlement Percentages) that part of the SVPSA Amount allocated to California on Schedule A hereto plus any interest and minus any administrative costs accruing from the Funding Date allocable to that part of the SVPSA Amount.

8. Waivers. In addition to the provisions of paragraphs 6 and 7, each State Releasing Party and each California State Releasing Party hereby expressly agrees with respect to the State Vitamin Purchaser Released Claims released by such State Releasing Party pursuant to paragraph 6 hereof, and with respect to the California State Vitamin Purchaser Released Claims released by such California State Releasing Party pursuant to paragraph 7 hereof, that each State Releasing Party and each California State Releasing Party will waive and release any and all provisions, rights and benefits conferred either: (a) by § 1542 of the California Civil Code, which reads:

“Section 1542. General release; extent. A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor;”

or (b) by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to § 1542 of the California Civil Code.

Each of the State Releasing Parties acknowledges that it may hereafter discover facts other than or different from those that it knows or believes to be true with respect to the subject matter of the State Vitamin Purchaser Released Claims that such State Releasing Party has released pursuant to paragraph 6 hereof, but each State Releasing Party hereby expressly agrees that it shall have

waived and fully, finally and forever settled and released any known or unknown, suspected or unsuspected, asserted or unasserted, contingent or non-contingent claim with respect to the State Vitamin Purchaser Released Claims, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts. Each of the California State Releasing Parties acknowledges that it may hereafter discover facts other than or different from those that it knows or believes to be true with respect to the subject matter of the California State Vitamin Purchaser Released Claims that such California State Releasing Party has released pursuant to paragraph 7 hereof, but each California State Releasing Party hereby expressly agrees that it shall have waived and fully, finally and forever settled and released any known or unknown, suspected or unsuspected, asserted or unasserted, contingent or non-contingent claim with respect to the California State Vitamin Purchaser Released Claims, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

9. Distribution of Settlement Payments. Within 10 days after Final Approval, the SVPSA Amount, plus any interest and minus any administrative costs accruing from the Funding Date, shall be distributed by the Escrow Agent to the States as outlined in Schedule A hereto. Each Attorney General may direct the Escrow Agent to make payments on their behalf for costs and expenses associated with the conduct of the investigation of the Alleged Conduct, or for deposit in a state antitrust or consumer protection account, and each Attorney General may also direct the Escrow Agent to make payments on their behalf directly to Government Entities that were affected by the Alleged Conduct. If the Court does not enter the Final Judgment and Consent Decree within 180 days from the filing of the Complaint and Final Judgment and Consent Decree, the Escrow Agent shall promptly return to the Settling Defendants the SVPSA Amount plus any interest minus any administrative costs accruing from the Funding Date.

10. Protection Against Duplicative Liability for Contribution or Indemnity. Notwithstanding anything to the contrary contained in this SVPSA, in consideration of the terms hereof and in order to induce the Settling Defendants to enter into the SVPSA, the States shall exclude from the dollar amount of any judgment collectable against any person in any action on any final judgment on any claim comparable to the State Vitamin Purchaser Released Claims or the California State Vitamin Purchaser Released Claims an amount equal to the percentage or amount of such judgment for which any Released Party would be responsible pursuant to a valid and enforceable claim for contribution and/or indemnification (other than any such claim that arises out of any voluntarily assumed contribution and/or indemnification obligation of such Released Party). The Settling Defendants and the States agree that no such valid and enforceable claim for contribution and/or indemnification presently exists as a matter of law,

and the Settling Defendants agree to use their reasonable best efforts to defend that position against any such claim for contribution and/or indemnity. The States agree that the undertaking set forth in this paragraph is not only for the benefit of the Settling Defendants but also for the benefit of any person against whom any such judgment is entered and that this undertaking may be enforced by any such person as an intended beneficiary hereof. This provision provides for a judgment reduction only, and shall not create a separate liability requiring the repayment by any State of any funds distributed pursuant to the SVPSA.

11. Consent to Jurisdiction. Each Settling Defendant and each State hereby irrevocably submits to the exclusive jurisdiction of the Court for any suit, action, proceeding or dispute arising out of or relating to the SVPSA or the applicability of the SVPSA and its exhibits. Without limiting the generality of the foregoing, it is hereby agreed that any dispute concerning the provisions of paragraphs 6, 7, 8 or 10 hereof, including but not limited to any suit, action or proceeding in which the provisions of paragraphs 6, 7, 8 or 10 hereof are asserted as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection, constitutes a suit, action or proceeding arising out of or relating to this SVPSA and its exhibits and schedules. In the event that the provisions of paragraphs 6, 8 or 10 hereof are asserted by any of the Released Parties as a defense in whole or in part to any claim or cause of action or otherwise raised as an objection in any suit, action or proceeding, it is hereby agreed that such Released Party shall be entitled to a stay of that suit, action or proceeding until the Court has entered a final judgment no longer subject to any appeal or review determining any issues relating to the defense or objection based on such provisions. Solely for purposes of such suit, action or proceeding, to the fullest extent that they may effectively do so under applicable law, the States and the Settling Defendants hereto irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the jurisdiction of the Court or that the Court is in any way an improper venue or an inconvenient forum. Nothing herein shall be construed as a submission to jurisdiction for any purpose other than enforcement of the SVPSA.

12. Resolution of Disputes; Retention of Jurisdiction. Any disputes between or among the Settling Defendants and the States concerning matters contained in the SVPSA shall, if they cannot be resolved by negotiation and agreement, be submitted to the Court. The Court shall retain exclusive jurisdiction over implementation and enforcement of this Settlement Agreement.

13. Settling Defendants' Obligations Are Several and Not Joint. All obligations assumed by the Settling Defendants under the SVPSA are intended to be, and shall remain, several and not joint.

14. Binding Effect. The SVPSA shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto. Without limiting the generality of the foregoing, each and every covenant and agreement herein by the undersigned representative of each States shall be binding upon the State Releasing Parties and the California State Releasing Parties.

15. Authorization to Enter Settlement Agreement. Each of the undersigned representatives of the States covenants and represents that he or she is fully authorized to conduct settlement negotiations on behalf of the States and the relevant State Releasing Parties or the California State Releasing Parties, and to enter into, and to execute, the SVPSA on behalf of the relevant State and State Releasing Parties or California State Releasing Parties. Each undersigned representative of a Settling Defendant covenants and represents that such representative is fully authorized to enter into and to execute this Settlement Agreement on behalf of such Settling Defendant.

16. No Admission. The parties expressly agree that the SVPSA and its contents, including its exhibits and schedules, and any and all statements, negotiations, documents and discussions associated with it, shall not be deemed or construed to be an admission or evidence: (i) of any violation of any statute or law or of any liability or wrongdoing or of the truth of any of the claims or allegations contained in the Complaint, the State Actions (as defined in the Master Settlement Agreement), the Class Actions (as defined in the Master Settlement Agreement) or any other pleading, and evidence thereof shall not be discoverable or used, directly or indirectly, in any way, whether in the State Actions (as defined in the Master Settlement Agreement), the Class Actions (as defined in the Master Settlement Agreement) or in any other action or proceeding; or (ii) that the State Actions (as defined in the Master Settlement Agreement), the Class Actions (as defined in the Master Settlement Agreement) or any similar litigation may properly be maintained as class actions for trial purposes.

17. Intended Beneficiaries. Except as expressly provided in paragraph 10 hereof, no provision of the SVPSA shall provide any rights to, or be enforceable by, any person or entity that is not a State, a State Vitamin Purchaser Released Party, or a California State Vitamin Purchaser Released Party. No State may assign or otherwise convey any right to enforce any provision of the SVPSA.

18. Headings. The headings used in the SVPSA are intended for the convenience of the reader only and shall not affect the meaning or interpretation of the SVPSA.

19. No Party Is the Drafter. None of the parties hereto shall be considered to be the drafter of the SVPSA or any provision hereof for the purpose

of any statute, case law or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

20. Choice of Law. All terms of the SVPSA and the exhibits and schedules hereto shall be governed by and interpreted according to the substantive laws of the District of Columbia without regard to its choice of law or conflict of laws principles.

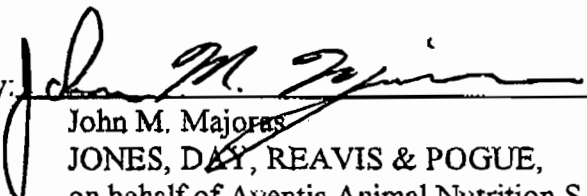

21. Amendment; Waiver. The SVPSA shall not be modified in any respect except by a writing executed by all the parties hereto, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving party. The waiver by any party of any breach of the SVPSA shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent or contemporaneous, of the SVPSA.

22. Execution in Counterparts. The SVPSA may be executed in counterparts. Facsimile signatures shall be considered as valid signatures as of the date hereof, although the original signature pages shall thereafter be appended to the SVPSA.

23. Integrated Agreement. The SVPSA contains an entire, complete, and integrated statement of each and every term and provision agreed to by and among the parties hereto, and it is not subject to any condition not provided for herein.

IN WITNESS WHEREOF, the parties hereto, through their fully authorized representatives have agreed to the SVPSA on the date first herein above written.

## **SCHEDULE B**

### **SVPSA ESCROW AGREEMENT**

This escrow agreement (the "Escrow Agreement") is entered into as of October \_\_, 2000 by and among BASF Aktiengesellschaft, Daiichi Pharmaceutical Co., Ltd., Eisai Co., Ltd., Hoffmann-La Roche Inc., Roche Vitamins Inc., Aventis Animal Nutrition S.A. and Takeda Chemical Industries Ltd. (collectively and severally, "Escrow Defendants" and each individually an "Escrow Defendant"), the States and [\_\_\_\_], as escrow agent (the "Escrow Agent").

#### **WITNESSETH:**

WHEREAS, on October 10, 2000 Escrow Defendants entered into a settlement agreement with the States setting forth the terms and conditions of an agreement to settle and resolve the claims in the Complaint with finality as to the Escrow Defendants ("Settlement Agreement"); and

WHEREAS, this agreement sets forth the terms and conditions of an escrow agreement with respect to certain funds to be deposited by the Escrow Defendants into escrow accounts and to be retained therein and distributed therefrom in accordance with the terms of the Settlement Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

#### **SECTION 1. *Appointment of Escrow Agent.***

Escrow Defendants and the States hereby appoint the Escrow Agent to act as escrow agent on the terms and conditions set forth herein, and the Escrow Agent hereby accepts such appointment on such terms and conditions.

#### **SECTION 2. *SVPSA Escrow Account.***

(a) To the extent each Escrow Defendant shall, pursuant to paragraph 1 of the Settlement Agreement, severally deliver to the Escrow Agent its Settlement Percentage share of \$29,833,700.00, the Escrow Agent shall deposit the amount into the escrow account established for such purpose (the "SVPSA Escrow Account"). The SVPSA Escrow Account shall have \_\_ sub-accounts, one for each of the States participating in the SVPSA, with incoming funds to be allocated to those sub-accounts in the manner specified by the States.

### SECTION 3. *Investment of Escrow Funds.*

(a) The Escrow Agent, at the joint written direction of each of the States' counsel (who may designate in writing one or more State's counsel to act on their behalf in this respect) and the Escrow Defendants' counsel (who may designate in writing one or more Escrow Defendant's counsel to act on their behalf in this respect), shall invest and reinvest the monies in the SVPSA Escrow Account in either (i) obligations issued or guaranteed by the United States of America or its agencies or instrumentalities or (ii) a money market account managed by the Escrow Agent or any of its subsidiaries or affiliates with a stated investment objective of investing only in the foregoing obligations and certificates. In the absence of such written direction, the Escrow Agent shall invest the Escrow Funds in [\_\_\_\_\_]. The Escrow Agent shall furnish to the States and each Escrow Defendant on a monthly basis a statement reporting deposits made, interest earned and disbursements made from each Escrow Fund during the prior calendar month.

(b) Absent a failure to adhere to the investment limitations defined in Section 3(a) of this Escrow Agreement, (i) in no event shall the Escrow Agent be liable for the selection of investments or for investment losses incurred thereon; (ii) the Escrow Agent shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its stated maturity; and (iii) the Escrow Agent shall not be liable for any losses resulting from any depreciation in the market value of any such investments. Any and all income earned on the Escrow Funds shall accrue to and become part of the Escrow Funds.

(c) The Escrow Funds shall be a separate custody account, segregated from all other funds or accounts held by the Escrow Agent and the Escrow Agent shall maintain all necessary and proper records to identify the Escrow Funds as such accounts separate and distinct from its general assets. The Escrow Agent shall maintain Bankers' Bond coverage for so long as it holds the Escrow Funds. The Escrow Agent shall not commingle the Escrow Funds with any other Assets of Escrow Agent, or of any other party.

### SECTION 4. *Release of Escrow Funds.*

(a) The Escrow Agent shall deliver the Escrow Funds as directed by the joint written instruction of each of the States' counsel and the Escrow Defendants' counsel who will also review and provide written approvals of the calculations made in accordance with this Section or pursuant to an order of the Court. Payments shall be made in such a way that there are at all times sufficient funds to cover the amounts necessary for payment of taxes or estimated taxes with respect to any interest or other income earned on the Funds, in accordance with Section 5 of this Escrow Agreement and fees and expenses of the Escrow Agent

allocable to such interest or income in accordance with subsection (b) of this section.

(b) For its services, the Escrow Agent shall receive fees in accordance with the Escrow Agent's fee schedule attached hereto as Exhibit A and shall be reimbursed for reasonable expenses, disbursements and advances incurred in connection with its activities hereunder (including the fees, expenses and disbursements of its counsel and of all persons not regularly in its employ). All such fees and expenses shall constitute a direct charge against the Escrow Funds and shall be allocated among the Escrow Funds in proportion to the amounts contributed to such funds pursuant to Section 2 (less any amounts disbursed therefrom). The Escrow Agent shall not debit the Escrow Funds for any such charge, however, until it has presented its statement to and received the written approval of Escrow Defendants' Counsel (who may designate in writing one or more of their members to act on their behalf in this respect) and the States' (who may designate in writing one or more of their members to act on their behalf in this respect), which approval shall not be unreasonably withheld or delayed. In the event that Escrow Defendants' Counsel, or the States' object in writing to any fees or expenses of the Escrow Agent, the Escrow Agent shall not debit the Escrow Funds for such fees or expenses other than (i) in accordance with a written agreement executed by each of the parties hereto or (ii) pursuant to Court order.

#### SECTION 5. *Qualified Settlement Fund.*

(a) Each of the parties to this Escrow Agreement intends that the Escrow Account be treated as a "qualified settlement fund" for federal income tax purposes pursuant to Treas. Reg. § 1.468B-1, and to that end the parties hereto shall cooperate with each other and shall not take any position in any filing or before any tax authority that is inconsistent with such treatment. At the written request of the Escrow Defendants, the Escrow Agent shall cause a "relation back election" as described in Treas. Reg. § 1.468B-1(j) to be made so as to enable the Escrow Accounts to be treated as a qualified settlement fund from the earliest date possible, and the Escrow Agent shall take all actions as may be necessary or appropriate to this end.

(b) The Escrow Agent shall pay taxes or estimated taxes on interest on or income earned by the Escrow Funds from the Escrow Accounts and all related costs and expenses, whether or not the Court has granted final approval of the Settlement Agreement.

## SECTION 6. *Termination of Escrow Agreement.*

This Escrow Agreement (other than the Escrow Agent's right to indemnification in connection with any Loss incurred prior to Final Approval, set forth in Section 7 of this Escrow Agreement) shall terminate when the Escrow Agent has released from the Escrow Accounts all amounts pursuant to Section 4 hereof.

## SECTION 7. *Escrow Agent.*

(a) The Escrow Agent shall have no duty or obligation hereunder other than to take such specific actions as are required of it from time to time under the provisions of this Escrow Agreement or to be a trustee for or have a fiduciary obligation to any party hereto, and it and its officers, directors, agents and employees shall incur no liability hereunder or in connection herewith other than as a result of its own bad faith, gross negligence or willful misconduct. No implied covenants or obligations shall be read into this Escrow Agreement against the Escrow Agent. The Escrow Agent shall not be bound in any way by any agreement or contract between Escrow Defendants and the States (whether or not the Escrow Agent has knowledge thereof) and the only duties and responsibilities of the Escrow Agent shall be to hold and invest the Escrow Funds received hereunder and to release such Escrow Funds in accordance with the terms of this Escrow Agreement. Neither the Escrow Agent nor its officers shall be liable with respect to any error of judgment made in good faith or in respect to any action taken or omitted to be taken by it or them in good faith in accordance with any direction of any party given under this Escrow Agreement, unless under the terms of the Escrow Agreement the Escrow Agent is only permitted to take such action or omit to take action upon joint direction of the parties.

(b) The Escrow Agent shall not be responsible in any manner for the validity or sufficiency of any property delivered hereunder, or for the value or collectability of any note, check or other instrument so delivered, or of any representations made or obligations assumed by any party other than the Escrow Agent. Nothing herein shall be deemed to obligate the Escrow Agent to deliver any cash, instruments, documents or any other property referred to herein, unless the same shall have been first received by the Escrow Agent pursuant to the terms of this Escrow Agreement.

(c) The Escrow Agent shall not be responsible for actions taken pursuant to this Escrow Agreement, except for its gross negligence or willful misconduct. The Escrow Agent shall not be responsible to the States or to any third party for actions taken in accordance with the performance of its duties hereunder and the Escrow Agent and its agents, directors, officers, employees and attorneys shall be indemnified for any loss or liability incurred thereby as well as

the costs and expenses of defending against any claim or liability whether threatened or made arising out of or relating to such performance; provided however, that such indemnity shall be limited to an amount no greater than the current balance of the amounts on deposit in the Escrow Account. The States shall not be obligated to indemnify the Escrow Agent beyond the current balance of the amounts on deposit in the Escrow Account or from any source other than the Escrow Funds. The provisions of this Section shall survive the disbursement of the Escrow Funds, the termination of this Escrow Agreement and the earlier removal or resignation of the Escrow Agent.

(d) The Escrow Agent shall be fully protected in acting on and relying upon any written notice, opinion, certificate, direction, request, waiver, consent, receipt or other paper that the Escrow Agent reasonably and in good faith believes to have been signed and presented by the proper party or parties and, if presented in connection with this Escrow Agreement, it believes to have presented in accordance with the terms of this Escrow Agreement. The Escrow Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, entitlement order, approval or other paper or document.

(e) The parties agree that, should any dispute arise with respect to the payment, ownership or right to possession of any amounts in the Escrow Accounts (or any of them), the Escrow Agent is authorized and directed to retain in its possession, without liability to anyone except in the event of its bad faith, willful misconduct or negligence, all or any part of the Escrow Funds until such dispute shall have been settled either by mutual agreement of the parties concerned or by a final order, decree or judgment of a court or other tribunal of competent jurisdiction in the United States. Nothing in the foregoing shall be construed to require the Escrow Agent to institute, defend or become a party to any proceeding in any such court or tribunal.

(f) The Escrow Agent may resign at any time by giving written notice of resignation to the other parties hereto, but such resignation shall not become effective until a successor Escrow Agent, selected by the Escrow Defendants and the States, shall have been appointed and shall have accepted such appointment in writing. If an instrument of acceptance by a successor Escrow Agent shall not have been delivered to the Escrow Agent within 30 days after the giving of such notice of resignation, the resigning Escrow Agent may petition any Court of competent jurisdiction for the appointment of a successor Escrow Agent (any costs incurred by the Escrow Agent in connection with any such provision will be assessed against the Escrow Funds in proportion to the respective amounts contributed to such funds pursuant to Section 2 hereof (less any amounts disbursed therefrom)).

SECTION 8. *Miscellaneous.*

(a) *Notices.* All notices under this Escrow Agreement shall be in writing, and each notice shall be given either by (a) hand delivery, (b) registered or certified mail, return receipt requested, postage pre-paid, (c) facsimile, or (d) Federal Express or similar overnight courier and, in each case, shall be addressed to the parties hereto at their addresses set forth on Exhibit B hereto hereto or such other addresses as such parties may designate, from time to time, by giving notice to all parties hereto in the manner described in this paragraph.

(b) *Successors and Assigns.* The provisions of this Escrow Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(c) *Governing Law.* This Escrow Agreement shall be construed in accordance with and governed by the laws of the State of New York, without regard to the conflicts of law rules of such state.

(d) *Jurisdiction and Venue.* The parties hereto irrevocably and unconditionally submit to the jurisdiction of the Court, as that term is defined in the State Vitamin Purchaser Settlement Agreement, for purposes of any suit, action or proceeding to enforce any provision of, or based on any right arising out of, this Escrow Agreement, and the parties hereto agree not to commence any such suit, action or proceeding except in the Court. The parties hereto hereby irrevocably and unconditionally waive any objection to the laying of venue of any such suit, action or proceeding in the Court and hereby further irrevocably waive and agree not to plead or claim in the Court that any such suit, action or proceeding has been brought in an inconvenient forum.

(e) *Definitions.* Terms used herein that are defined in the Settlement Agreement are, unless otherwise defined herein, used in this Escrow Agreement as defined in the Settlement Agreement.

(f) *Amendments.* This Escrow Agreement may be amended only by written instrument executed by all parties hereto. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving party. The waiver by any party of any breach of this Escrow Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent or contemporaneous, of this Escrow Agreement.

(g) *Counterparts; Effectiveness.* This Escrow Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Escrow Agreement shall become effective when each party hereto shall have

signed a counterpart hereof. Delivery by facsimile of a signed agreement shall be deemed delivery for purposes of acknowledging acceptance hereof; however, an original executed signature page must promptly thereafter be appended to this Escrow Agreement, and an original executed agreement shall promptly thereafter be delivered to each party hereto.

(h) None of the provisions of this Escrow Agreement shall require the Escrow Agent to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, except as provided in this Agreement.

(i) Whenever the Escrow Agent shall deem it necessary that a matter be proved or established prior to taking any action to be taken hereunder, such matter may, in the absence of gross negligence or bad faith on the part of the Escrow Agent, be deemed to be conclusively proved and established by a certificate signed by an officer of an Escrow Defendant or the States (or, if this Escrow Agreement provides that it be signed jointly, it is so signed) as the case may be, and delivered to the Escrow Agent and such certificate, shall be full warrant to the Escrow Agent for any action taken or omitted by it hereunder.

(j) The Escrow Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

(k) *Captions.* The captions herein are included for convenience of reference only and shall be ignored in the construction and interpretation hereof.

IN WITNESS WHEREOF, the parties have executed this Escrow Agreement  
as of the day and year first herein above written.

## COMPLAINT

Plaintiffs, the States, Commonwealths, and Districts of ALABAMA, ALASKA, ARIZONA, ARKANSAS, CALIFORNIA, COLORADO, CONNECTICUT, DELAWARE, DISTRICT OF COLUMBIA, FLORIDA, GEORGIA, HAWAII, IDAHO, ILLINOIS, INDIANA, IOWA, KANSAS, KENTUCKY, LOUISIANA, MAINE, MARYLAND, MICHIGAN, MINNESOTA, MONTANA, NEBRASKA, NEVADA, NEW HAMPSHIRE, NEW JERSEY, NEW MEXICO, NEW YORK, NORTH CAROLINA, NORTH DAKOTA, OHIO, OKLAHOMA, OREGON, PENNSYLVANIA, PUERTO RICO, RHODE ISLAND, SOUTH CAROLINA, SOUTH DAKOTA, TENNESSEE,

TEXAS, UTAH, VERMONT, VIRGINIA, WASHINGTON, WEST VIRGINIA, WISCONSIN, AND WYOMING ("Plaintiff States") bring this action in their sovereign capacities against the Defendants for monetary damages for proprietary purchases of vitamins and indirect vitamin products, civil penalties, and injunctive relief to compensate for injuries sustained as a result of Defendants' violations of the antitrust laws of the United States and the antitrust laws of the Plaintiff States. The Plaintiff States allege, upon information and belief (except as to Plaintiff and jurisdictional facts), the following:

## **I.**

### **NATURE OF THE ACTION**

1. The Plaintiff States allege that the Defendants engaged in a price-fixing conspiracy in violation of the antitrust laws of the United States and the antitrust laws of the Plaintiff States.
2. In summary, the alleged violation consisted of a ten-year conspiracy to fix and raise prices and to allocate market share and customers in the market for bulk vitamins. The effect of the conspiracy was to raise prices for vitamins and vitamin products.
3. The Plaintiff States bring this action in their sovereign capacity for damages arising from the direct and indirect purchases by the Plaintiff States of vitamins and products containing vitamins, for penalties and for injunctive relief.

## **II.**

### **JURISDICTION AND VENUE**

4. Plaintiff States bring this action under Section 4 and Section 16 of the Clayton Act, 15 U.S.C. §§ 15 and 26, to recover monetary relief for injuries sustained and for injunctive relief against Defendants' price-fixing conspiracies in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1.

5. Venue is proper in this District under Section 12 of the Clayton Act, 15 U.S.C. § 22, and 28 U.S.C. § 1391(b) and (c), because the Defendants are found, reside or do business within the District of Columbia, or because the claims alleged arose, in part, in this judicial district.

6. The Complaint also alleges violations of various state antitrust and unfair trade practices statutes. All claims under federal and state law are based upon a common nucleus of operative facts and the entire action commenced by this Complaint constitutes a single case which would ordinarily be tried in one judicial proceeding.

7. This Court has pendent jurisdiction over the claims based upon state law. Pendent jurisdiction should be exercised in the interests of judicial economy, convenience and fairness.

### **III.**

#### **THE PARTIES**

8. The Plaintiff States are fully set forth and identified above.

9. Defendant Hoffmann-La Roche Inc. ("Roche Inc.") is a New Jersey corporation with operations in the United States, with its principal place of business in Nutley, New Jersey. defendants, have participated as co-conspirators with Defendants in the violations alleged and have performed acts and made statements in the United States and elsewhere in furtherance thereof.

#### **IV.**

#### **TRADE AND COMMERCE**

19. Vitamins are organic compounds required in the diet of humans and animals for normal growth and maintenance of life. Vitamins are essential sources of certain coenzymes necessary for metabolism, the biochemical processes that support life. All known vitamins have been synthesized chemically, and such synthesized vitamins are manufactured and sold by the Defendants and their corporate co-conspirators. Vitamins are necessary for the normal and healthy growth and development of both humans and animals. Large quantities of vitamins are sold directly and indirectly to Plaintiff States.

20. Defendants are manufacturers, marketers, and distributors of vitamins (synthetic and natural, and in dry and oil form), vitamin premixes, and other vitamin products for sale throughout the United States. The manufacture of vitamins, vitamin premixes and other vitamin products is a multi-billion dollar a year industry worldwide. The North American market for vitamins used in animal nutrition alone is an over \$500 million a year industry.

21. Defendants are also engaged in the sale, marketing, and distribution of vitamins, vitamin premixes, and other vitamin products to manufacturers and distributors of products containing vitamins, including vitamin supplements designed for human consumption and vitamin enriched foods. Such products are purchased in large quantities by the Plaintiff States each year.

22. The activities of the Defendants in the regular, continuous, and substantial flow of interstate commerce have had and do have a substantial impact upon interstate commerce.

**V.**

**FIRST CLAIM FOR RELIEF**

23. Beginning not later than 1989, the Defendants and their co-conspirators entered into and engaged in a combination and conspiracy to suppress competition by fixing the price, and allocating the markets and sales volumes, of vitamins, vitamin premixes, bulk vitamins and vitamin products offered for sale in the United States. Their conduct was an unreasonable restraint of trade in commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1.

24. The conspiracy engaged in by the Defendants and their co-conspirators consisted of a continuing agreement, understanding and concert of action among the conspirators to fix prices, allocate markets and volumes of sales, of vitamins, vitamin premixes, bulk vitamins, and other vitamin products in the United States.

25. The conspiracy engaged in by the Defendants affected at least the following vitamins during at least the time periods indicated:

- (i) vitamins A and E sold in the United States and elsewhere, from January 1990 into February 1999;
- (ii) vitamin B2 (Riboflavin) sold in the United States and elsewhere, from at least January 1991 into at least Fall 1995;
- (iii) vitamin B5 (CalPan) sold in the United States and elsewhere, from January 1991 into at least December 1998;
- (iv) vitamin C sold in the United States and elsewhere, from January 1991 into at least the late Fall 1995;
- (v) beta carotene sold in the United States and elsewhere, from January 1991 into at least December 1998; and,

- (vi) vitamin premixes sold to customers located throughout the United States, from January 1991 into at least December 1997.

26. The acts committed by the Defendants in establishing and in furtherance of the conspiracies violate federal and state antitrust law.

27. On May 20, 1999, F. Hoffmann-La Roche Ltd., affiliate of Hoffmann-La Roche Inc. and Roche Vitamins Inc., and BASF Aktiengesellschaft, parent of BASF Corporation, agreed to plead guilty to breaches of Federal Antitrust Law. Defendant Aventis avoided criminal prosecution in the United States for the illegal acts alleged in this Complaint by participating in the United States Department of Justice Corporate Leniency Program. On September 9, 1999, Daiichi Fine Chemicals Inc, Eisai Inc, and Takeda Vitamin & Food USA, agreed to plead guilty to breaches of Federal Antitrust Law.

109. Each of these acts resulted in the illegal restraint of trade and commerce and acted to destroy free and open competition in our market system and, thereby, resulted in increased costs and the deterioration in quality of commodities and services to the Plaintiff States.
